Dear Mrs. Skinner:

In re: FERNANDO ESCOBEDO TOMB
Square 2, Range "A", Lot No. 20
St. Joseph Aisle
St. Louis Cemetery No. 3

Acting on your request per your letter of March, 1975, which was misplaced, I inspected your family memorial for its evaluation.

After our telephone conversation on January 7th, we are prepared to make you aware and offer you and your family the following:

Our records indicate location is owned by Fernando Escobedo, per Title No. 1332, issued October 15, 1908, entered on our records October 2, 1926. It further reveals there are six interments in tomb, namely:

October 21, 1911	- August Aman in Vault 2
June 21, 1912	- Louis M. Escobedo in Vault 1
October 2, 1926	- George Clesi in Vault 1
July 24, 1929	- George R. Escobedo in Vault 2
August 17, 1930	- Marie Escobedo in Vault 2
July 1, 1967	- Marie L. Cannatella in Vault 1

The above described location has a single width brick tomb finished with cement plaster painted. Blue Georgia marble cross base, ornamental plate, frame, shelf, steps and buttress caps; White marble nameplate and tablet.

In my inspection, I noted the memorial is in a poor condition due to cracks, where fern type fungus is growing from, deteriorated paint, loose cement plaster and deteriorated marble tablet, and slate soffit. Marble cross is missing on top of base. Pavement is now below grade level.

To renovate memorial, would require sandblasting, to remove deteriorated paint and particles, replace roof, cut out cracks and repair, replace cement plaster, marble tablet and slate soffit and paint. Raise pavement to proper grade.

The condition is being called to your attention so you can be aware of the large cost involved to restore the memorial if some one would use it for future generations.

Our interest would be to prevent seeing the memorial remain dormant without anyone looking after its condition. Eventually it would become an eyesore to the cemetery and for the owners surrounding it.

You could most probably find someone to purchase it in its present condition at a low price. You would have to re-locate the remains before we could approve a sale to someone outside of the family.

If you and your family have no further interest in burying or keeping up the memorial, we could offer an alternative. We do this only for cases where there is no further interest in a memorial and for reasons given above.

Upon delivery of a clear title, we are prepared to offer you the sum of \$350.00 for the lot. We cannot offer anything for the tomb as we would have to spend money in demolishing it. We would recover our expense by selling the lot cleared for a new memorial. Our offer includes removing all remains and transferring them into a mausoleum crypt owned by us. The crypt is protected by Perpetual Care. It is a crypt that we use for burying remains of others who had a similar decision to make. Once remains are interred in crypt, it is impossible to identify or remove them.

Should the above offer be acceptable to you and all heirs, the following will be needed to meet our requirements:

1. Accept the Act of Transfer document which will be provided by us for signatures of heirs after we are given all of the names.
2. Surrender Title No. 1332 issued October 15, 1908 entitled Fernando Escobedo. If the title is lost, we will then need a notarized affidavit per requirements listed in our instruction sheet which we can supply.
3. Furnish us with judicial documents supporting that you and your sisters are the only heirs or owners with power to transfer ownership over to the N.O.A.C. If you were not placed in possession by judicial or written documents, a notarized affidavit of death and heirship will be acceptable

provided it defines and satisfies our attorneys that
you have the right to make this transfer and removals.
We have an instruction sheet for this purpose.

4. Signed approval of application for removal of remains
to our mausoleum crypt which we will supply for your
signature(s).

Upon your advice and receipt of the above, we will forward our check to
cover our offer.

We trust the above is self-explanatory; if not, please advise.

Since there will be no one else to use memorial, which will eventually get
dilapidated and an eye sore due to no care, we approve your idea. If you
prefer, and you are not interested in the money, we can relocate the remains
in a mausoleum crypt for this family only, after applying the allowance towards
the purchase price.

With best wishes to you and your family.

Please let us hear from you.

Sincerely,

F.G. Rome, Executive Director
